October 31, 2022

Dear Partners of Gammon Theological Seminary,

This year we are celebrating our 139th Founder's Day. Founder's Day marks 139 years of educating and equipping the Clergy for ministry and mission in the United Methodist Church. This year we will be back in person and online to celebrate. Our theme is "A Brand New Day, "Uncharted," using the scripture of Isaiah 43:18-19, "Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland."

Our dates are Dec. 5-7th, 2022, and we want to give you an opportunity to partner with us in this event. We will have worship, lectures, workshops, and our annual scholarship dinner to raise funds for tuition scholarships for students to attend Gammon. Your partnership and support enable us to offer scholarships supporting our students as they answer their call to ministry without incurring significant student loan debt.

We have many different levels of support for you to consider. The attached sponsorship form explains the benefits and returns to your organization for each level of support. Please complete and return your check to Gammon Theological Seminary at 653 Beckwith Street SW, Atlanta, GA 30314, or you can pay online at <https://gammon-itc.kindful.com/> and click on 2022 Founders Day Sponsorship. All checks should be made payable to Gammon Theological Seminary. If you have any questions, please call (404) 581-0300 or email Pastor Brenda Wright at bbenefield@gammon-itc.org. All recorded ads are to be created by the sponsor and submitted to Gammon (MPEG, mp4, or dotmov) by Nov. 20th. Also, to have your Ad in the program booklet, please send print ready in jpg png, or pdf with file format 300 pdi by Nov. 14th.

We thank God for you, your prayers, and your commitment to supporting Gammon Theological Seminary!

Sincerely,

Candace M. Lewis
